## COLOURS PLUS

Hi, my name is Debbie Albrecht and I'm back in town on the 24th February for a week, and available for consultations.

I am a Personal Image Consultant/Stylist and very passionate about helping women, offering one-on-one personal service and teaching women how to look their best.

I am North Canterbury based, with clients in Christchurch, North Canterbury, Oamaru and Queenstown.

Fashion consulting is very personal, individual and discreet. I see my work as empowering ladies, making them feel good about themselves and helping to bring out the inner person that maybe they're not confident enough to express outwardly.

## WHAT I CAN DO FOR YOU

Firstly, I analyse which colours suit you with the aid of large fabric swatches. This determines whether you are best with blue or yellow based tones.

The next step is knowing what shape you are, which is the key to selecting clothes that work for you.

Clothes can make us feel really good, or they can make us feel negative about ourselves. I strive for what you feel good in only.

I look at your existing wardrobe to see what works and what doesn't, and also ask questions like: "When did you last wear this?", "Do you think this is a good colour for you?" and "Do you think this style suits you?" Having whittled things back, the next step is the shopping trip during which I will advise you on what to look for in terms of colour, cut, fabric and fit.

Shopping should be an enjoyable experience that saves you time and money and results in the best styles and colouring for your body shape. Where we shop depends on your budget and lifestyle. There are wonderful shops out there it's about knowing which ones are the best for you.

All of my services can be done separately or as a package the choice is yours.
